  - Central Board of Secondary Education
  - Percentage – 83.4 %

Projects

- ○ **Codesters** (*http://www.codesters.org*)
  - Co-Developer (January, 2012 - Present)
  - It happens every time is we waste much of our time in finding good resources to learn from.
  - This website aims to become a public library cum recommendation hub for learning. You want to learn programming or any computer science topic. Search it in topics and you are good to go.
  - Github - *http://github.com/codesters/codesters/*

- ○ **CollegeDiveIn** (*http://www.collegedive.in*)
  - Co-Developer (March, 2012 - Present)
  - This is a Django based website that help users in making college events, participating in them and share notes. As we were unable to maintain this website. So, we gave it to our junior (Pulkit Pahwa).
  - Github - *http://github.com/codesters/collegedivein/*

Hobbies

Origami, Crafting, Listening to Music and Web-Surfing.
